InspireNOLA Charter Schools

Mission

The mission of InspireNOLA Charter Schools is to transform and inspire an educational movement.

Values

- Inspiration: We exist to inspire the children of our city through education to maximize their potential and transform society.
- Aspiration: The school day does not end at 3:00 for InspireNOLA staff. We are continuously striving to make sure every child is successful.
- Dedication: We are committed to helping all of our children bring their dreams to fruition.

General Policies and Procedures

Admission and Enrollment

Admission Requirements

All InspireNOLA schools participate in EnrollNOLA, the New Orleans common application and enrollment system (sometimes referred to as “OneApp”). InspireNOLA follows the calendar and policies of EnrollNOLA as they related to application, admission, readmission, and transfer of students. For more information, please visit www.opsb.us or www.enrollnola.org.

Documents for Registration

As per policy, all InspireNOLA schools require documentation in order for a student to register at an InspireNOLA school (once the student has been placed at or admitted to the school through the EnrollNOLA/OneApp process). To complete registration, a student’s parent or guardian must provide copies of the following documentation:

- Birth certificate
- Immunization records
- Final report card
- Test scores
- Parent/guardian identification
- Proof of residence (*see below for additional information on proof of residency*)
- Social security card (optional)
- Individual Education Plan (IEP) or 504 Plan (if applicable)

A student may lose their seat at an InspireNOLA school if they do not submit all required documentation by the registration deadline, as established by EnrollNOLA.

Proof of Residence Requirements

When a student initial registers at an InspireNOLA school or if a student’s residence changes, the parent/guardian is responsible for providing two (2) forms of proof of residence for the new address. Acceptable forms include: lease or rental agreement; cable, internet service, telephone, Sewage and Water Board, or Entergy bill; LA state ID card or driver’s license, and payroll check stub with home address.

InspireNOLA reserves the right to request proof of residence documentation at any time. In the case that InspireNOLA or an InspireNOLA school requests proof of residence, the parent or guardian must provide two (2) forms of proof of residence (acceptable forms are listed above) within five (5) business days. If the parent/guardian fails to do so, the student may be unenrolled from the InspireNOLA school at that time.

All students attending InspireNOLA schools are required to reside in Orleans Parish.

Attendance

Compulsory School Attendance

The state of Louisiana requires that all children from their seventh to their eighteenth birthday must attend a public school, private school, or must participate in an approved home study program. Any student above the compulsory attendance age who has excessive absences may be dropped from school with the SBLC (school building level committee) recommendation.

Please note below the Compulsory Attendance Law which all InspireNOLA schools are mandated to follow:

- A. Attendance Requirements – State law and school board policy require that elementary students (K – 8th) be present a minimum of 167 days per year. Secondary students (grades 9 – 12) are required to be present a minimum of 83-85 days per semester. (LA Bulletin 741)
- B. Penalties – Section 221 of Title 17 of the LA Revised Statutes states that the responsibility of a child's school attendance is placed with the child's parent or legal guardian. This responsibility includes awakening the child in sufficient time each morning and ensuring that the child, in fact, arrives at school at the appointed time. Any parent, guardian, or tutor found to be in violation of the compulsory school attendance law may be fined not more than two hundred-fifty dollars (\$250.00) and/or sentenced to thirty (30) days in jail or both. If a child is absent or tardy five (5) days from school, parents and/or child may be referred to the Municipal Court or Families In Need of Services (FINS).

Students are expected to be in school each day. Absent students cannot participate in athletic practices or games the day of the event/activity. Dated, original notes from a parent or doctor must be submitted to the homeroom teacher within a one-week period (5 business days) following the absence.

Only absences that have been verified by the school social worker or designee are considered excused according to state law attendance requirements.

Types of Absences

1. Excused absences are the following:
 - Personal physical or emotional illness as verified by a state-licensed physician;
 - Extended hospital stay as verified by a state-licensed physician;
 - Extended recuperation from an accident as verified by a state-licensed physician;
 - Observation of a recognized holiday of the student's own faith with documentation provided;
 - Visitation with a parent who is a member of the US Armed forces or National Guard and such parent has been called to duty for or is on leave from deployment to combat (these absences should not exceed 5 days per school year);
 - Travel for educational purposes, including college and university visits, with the approval of the School Leader (Verification of the educational experience must be submitted upon return to school.);

- Death in the immediate family with documentation (these absences should not exceed 3 days);
- National catastrophe or disaster.

Excused absences allow for the student to make up missed assignments and will not be counted against students in determining whether a student meets attendance requirements.

2. Unexcused absences are absences where verifiable documentation is not provided, the note is provided outside of the specified required time, or fail to meet the criteria as excused. These absences count against the student when determining whether the student meets attendance requirements.

Students attending school-sponsored activities/field trips are considered to be present at school.

Attendance Requirements for Promotion

Students with more than 10 absences per year may be considered for retention.

Tardiness

Students arriving to school after the morning tardy bell will be considered tardy to school. Students arriving to school after the stated school start time after 30 minutes of the tardy bell must be accompanied by a parent/guardian regardless of reason to be checked in by office personnel. Tardy students will receive appropriate disciplinary action for repeated tardies.

Early Dismissal and Check-Out

An early dismissal or check-out from a school day is also considered an absence in the classes missed. Early dismissal or check-out from school requires that the legal parent/guardian be present and provide a current form of legal identification at the time of the early dismissal or check out. Parent/legal guardian/designee must be listed on the students emergency card.

Withdrawal

InspireNOLA kindly requests that parents/guardians inform the school secretary, data manager, and/or counselor at least one week prior to moving of transferring from the school, or as soon as possible. The parent must sign several forms before the withdrawal procedure can be finalized, and all financial and material obligations to the school must be resolved before the withdrawal will be completed. A student who seeks re-admittance to the school must go through the OneApp central enrollment system process.

Breakfast and Lunch

A breakfast and lunch program is available to all students each day. Breakfast and lunch will be served at no charge to all students, as all InspireNOLA schools have been selected to participate in the USDA Community Eligibility Provision Program (CEP).

Special meals will be provided at no extra charge to students with dietary restrictions as documented by a doctor.

The breakfast and lunch programs are available to everyone regardless of race, color, national origin, age, sex, or disability.

Communication

Contact Information

Parents/guardians are responsible for annually providing current and up-to-date contact information for the student. Each summer before a new school year begins, parents/guardians will be sent a form on which to update their contact information, and then return to school.

In the case that phone numbers or address change during the year, the parent/guardian must complete an enrollment card/form to provide current contact information. In addition to phone numbers and address for the parent/guardian, emergency contact information must be provided for at least two other individuals who may be contacted in case of an emergency. All authorized contacts to whom the school is permitted to release the student to during or after the school day must also be indicated.

Emergency School Closing

Emergencies, including severe weather and other external factors, may occur throughout the school year. In extreme cases, InspireNOLA may deem it necessary for school facilities to close, as to ensure the safety and wellbeing of students and staff. In the event that school closure is necessary, InspireNOLA will alert parents via School Messenger, as well as post over local radio and/or television stations, the InspireNOLA website (www.inspirenolacharterschools.org) and on all InspireNOLA social media channels.

If students are on campus and an emergency school closure is deemed necessary, parents will be notified via SchoolMessenger. InspireNOLA will also post immediate closure announcements on the InspireNOLA website and social media channels.

Communication Devices

Cell Phone Policy

Students may use the designated office telephone with permission. Cellular phone usage is not permitted during the school day, unless permitted by the school principal (i.e. innovation Wednesday), including during the lunch period. Student cell phones that are seen and/or heard will be confiscated and securely held in the office of the Dean of Students. Confiscated devices must be retrieved by parent/legal guardian. Discipline policies regarding communication devices will be enforced.

If a student chooses to bring their electronic device to school, the electronic device must be stored in a secure location. Students shall be personally and solely responsible for the security of their electronic devices. InspireNOLA shall not assume any responsibility for theft, loss, or damage of an electronic device or unauthorized usage of any kind on the electronic device.

Should it be determined that a student's cell phone contains material subject to criminal laws, school personnel shall confiscate the phone and notify law enforcement.

Communication Devices During Testing

The possession of electronic devices is strictly prohibited during testing situations or other forms of student assessment. School personnel may collect such devices before students are administered an assessment. (The electronic device will be returned to the student after the assessment has concluded.) If a student is found in possession of an electronic device during an assessment, the assessment will cease, the device will be confiscated, and the student's assessment may be invalidated. Additional disciplinary action may be taken by the school administration.

Other Electronic Telecommunication Devices

Electronic telecommunication devices are not limited solely to cell phones; any device that has the capacity to electronically transmit or exchange data, including cellular watches. All electronic devices that have telecommunication ability are subject to the policies and consequences in place for cell phones (i.e. Apple Watches, tablets, etc.).

Damage to School Property

It is the policy of InspireNOLA Charter Schools that a student found guilty or responsible for damage or loss to any property belonging to InspireNOLA Charter Schools, a school, or a school employee shall be held accountable for making restitution for said damage. Any student who is suspended for such act shall not be re-admitted until arrangements for payment in full have been made for said damage.

Emergency Situations

Emergency Contacts

It is the policy of InspireNOLA Charter Schools that upon registration and every year thereafter, the parent/guardian will submit emergency contacts for each student who attends an InspireNOLA school. It is the responsibility of the parent/guardian to notify the school if emergency contacts changes occur during the school year.

Evacuation of Building

Procedures for quick and orderly evacuation of school buildings have been established and are posted in classrooms and other rooms.

Alternate off campus re-unification locations may be used. Notification to students' parents/guardians will be completed by phone, text, and/or email to the parent/guardian and/or emergency contact information provided during registration and/or annual information updates.

Students are to familiarize themselves with procedures for evacuation and other emergency situations, and to obey instructions of teachers and staff in all situations. Because the orderly and rapid evacuation of building in an emergency is a serious and urgent matter, student misbehavior will be not tolerated and may result in disciplinary action.

Grievances

InspireNOLA encourages students and parents/guardians to discuss their concerns and complaints through an informal conference with the appropriate teacher, staff member, assistant principal, or other school personnel. Concerns should be expressed as soon as possible to allow early resolution with the parties involved.

In the case that the student or parent/guardian is not satisfied with the outcome of the informal conference, the student or parent may initiate the formal process. At this time, they may submit a formal grievance in writing to the Principal. The formal written grievance must be submitted to the School Leader within ten (10) days of the incident or matter. The School Leader will then look into the grievance and claims, determine the appropriate action, notify the person submitting the grievance in writing.

In the case that the student or parent/guardian is not satisfied with the outcome of the formal grievance result as resolved by the Principal, they may submit a formal appeal in writing. The formal written appeal

must be submitted to the InspireNOLA Central Office within three (3) days of receiving notification of the resolution from the Principal. A member of the InspireNOLA Central Office team will determine the appropriate action and notify the person submitting the appeal in writing.

In the case that the student or parent/guardian is not satisfied with the outcome of the formal grievance result as resolved by the InspireNOLA Central Office, they may submit a second formal appeal in writing to the Chief Executive Officer. The second formal written appeal must be submitted to the CEO within three (3) days of receiving notification of the resolution from the InspireNOLA Central Office. The CEO will determine the appropriate action and notify the person submitting the appeal in writing. The determination of the Chief Executive Officer is final.

If InspireNOLA or its associated schools – through its Title I Programming – is not providing services in accordance with state and federal regulations, a parent may file a complaint in accordance with the Louisiana Handbook for School Administrators, which is available online at: <http://www.doa.louisiana.gov/osr/lac/28v115/28v115.doc>. Parents may also request a copy of this bulletin by calling the department's toll free number at 1-877-453-2721.

Immunization Records

As per Louisiana LAw R.S. 17:170, each person entering any school (including elementary and secondary schools) within the state for the first time the time of registration or entry shall present satisfactory evidence of immunity to or immunization against vaccine-preventable diseases according to a schedule approved by the office of public health, Department of Health and Hospitals, or shall present evidence of an immunization program in progress.

The schedule shall include but not be limited to measles, mumps, rubella, diphtheria, tetanus, whooping cough, poliomyelitis, and hemophilus influenzae Type B invasive infections. The schedule may provide specific requirements based on age, grade in school, or type of school. At its own discretion and with the approval of the office of public health, InspireNOLA may require immunizations or proof of immunity more extensive than required by the schedule approved by the office of public health.

A student transferring from another school system in or out of the state shall submit either a certificate of immunization or a letter from his personal physician or a public health clinic indicating immunizations against the diseases in the schedule approved by the office of public health having been performed, or a statement that such immunizations are in progress.

If booster immunizations for the diseases enumerated in the schedule approved by the office of public health are advised by that office, such booster immunizations shall be administered before the student may enter an InspireNOLA school.

In the event of an outbreak of a vaccine-preventable disease at an InspireNOLA school, the School Principal or InspireNOLA CEO (or his/her designee) are empowered, upon the recommendation of the office of public health, to exclude from attendance unimmunized students until the appropriate disease incubation period has expired or the unimmunized person presents evidence of immunization.

Medication Policy

A student who is taking prescribed medication during the school day must have authorized medication administration information on file in the office and with the school nurse. The form outlines the process

for dispensing medication that parents and student's physician must complete, sign, and return to the school before any prescribed medication may be administered to a student while on school campus.

Students should never be in possession of medication of any kind. Asthma medication may be carried by the student with written documentation from the physician and on file with the school nurse. School nurses or trained school employees are allowed to administer auto-injectable epinephrine to a student who the school nurse or trained school employee, in good faith, believes is having an anaphylactic reaction whether or not such student has a prescription for epinephrine. Breathe sprays/sheets, scented lotions, and colognes pose a health threat and are not permitted at school.

Non-Discrimination Policy

All InspireNOLA schools admit students of any race, color, national origin, and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. InspireNOLA schools do not discriminate on the basis of race, color, national origin, or ethnic origin in its educational policies, admission policies, and athletic and other school-administered/sanctioned programs.

Parents Right to Know Information

The *Every Student Succeeds Act (ESSA)* was passed by the U.S. Congress late last year and signed into law on December 10, 2015. The *ESSA* replaces the *No Child Left Behind Act (NCLB)* and is the latest reauthorization of the *Elementary and Secondary Education Act (ESEA)*.

Under the *ESSA*, all schools receiving Title I funds must inform parents of their right to ask schools about the professional qualifications of their child's teachers and paraprofessionals. All InspireNOLA schools receive Title I funding and we are happy to share this information with you upon your request. Specifically, you may request the following:

1. Whether the teacher has met Louisiana teacher certification requirements for the grade level and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under an emergency or other provisional status through which Washington qualifications or certification criteria have been waived.
3. The college major and any graduate certification or degree held by the teacher.
4. Whether the student is provided services by paraprofessionals, and if so, their qualifications.

We at InspireNOLA are extremely proud of the quality of the teaching staff at all of our schools. All of our core content teachers have college degrees and many have advanced degrees. In addition, every teacher continues learning through professional development activities and our teachers are evaluated each year to ensure their teaching skills remain at the highest possible level.

If you would like to receive this information, please contact the InspireNOLA Human Resources Department at (504) 227-3057 or hr@inspirenolaschools.org.

Protection of Employees

Any individual, including any parent/guardian of a student attending an InspireNOLA school, who physically assaults or threatens harm to any teacher, staff member, or employee of InspireNOLA will not be allowed to enter the campus of any InspireNOLA school without prior approval from the School Principal or InspireNOLA CEO.

Searches

It is the policy of InspireNOLA Charter Schools to reserve the right to inspect all school property at any time for weapons, drugs, alcohol, stolen goods, or other materials or objects, the possession of which is in a violation of the Louisiana state, Orleans parish, or InspireNOLA policy when articulable facts lead to reasonable belief that the items sought will be found. InspireNOLA property shall include, but is not limited to, building, desks, lockers, area, computer, and grounds.

InspireNOLA shall authorized searches of student and non-students and of any bags, purses, containers, etc., that they bring on to InspireNOLA property or to school-sponsored activities if suspected of any objects that could potentially cause harm and danger to others or themselves. These searches may include the use of hand-held or stationary metal detectors.

Student Privacy

Family Educational Rights and Privacy Act (FERPA) and Directory Information

The Family Educational Rights and Privacy Act (FERPA) is a federal privacy law that gives parents certain protections with regard to their children's education records, such as report cards, transcripts, disciplinary records, contact and family information, and class schedules. According to FERPA, parents and eligible students have the right to:

- Inspect and review the student's education records;
- Seek amendment of the student's education records that are believed to be inaccurate, misleading, or otherwise in violation of the student's privacy rights;
- Consent to the disclosure of personally identifiable information, except to the extent that FERPA and the school board authorize disclosure without consent (see below for further information);
- File with the United States Department of Education a complaint concerning alleged failures by the InspireNOLA Charter Schools Board to comply with FERPA.

Disclosure without Consent

Under FERPA, InspireNOLA may disclose information from a student's education records without the written consent of the parent or eligible student, when the disclosure meets any of the conditions set forth by FERPA, and in accordance with State law. This includes, but are not limited to:

- A school official having access to student records is:
 - A person employed by InspireNOLA in an administrative, supervisory, academic, research, or support staff position, including health and medical staff;
 - A person appointed or elected to the InspireNOLA Board;
 - A person employed or under contract with the Board to perform a special task for the Board.
- A school official has a legitimate educational interest to access student records if the official is:
 - Performing a task that is specified in his or her position description or contract agreement;
 - Performing a task related to a student's education;
 - Providing a service or benefit related to the student or student's family, such as health care, counseling, job placement, or financial aid;
 - Maintaining the safety and security of InspireNOLA property or school grounds; and/or
 - Performing other duties of legitimate educational interest as determined by InspireNOLA's CEO or his designee on a case-by-case basis.
- Disclosures to officials of another school, school system, or post-secondary education institution where the student seeks or intends to enroll will be made without any notification to the parent or student. The transfer of student records may include information on the date of any expulsion and the reason(s) for which the student was expelled.
- InspireNOLA may disclose education records or information from education records, without the consent of a parent or guardian who is the subject of the records, to the State and local law enforcement officials and other officials within the juvenile system in accordance with the law.

All students are required to have a parent/guardian complete the Notification of Rights under the Family Educational Rights and Privacy Act (FERPA) and Student Directory Information Opt Out Form during the initial registration process. (The Notification of Rights under the Family Educational Rights and Privacy Act [FERPA] and Student Directory Information Opt Out Form can also be found in appendix.)

Transfer of Personally Identifiable Student Information

Due to the increasing awareness and concern about the commercial and criminal use of student information, the Louisiana Legislature now requires both the state Department of Education and Orleans Parish School Board to provide accurate information of various transfers of student information. Please visit <https://www.louisianabelieves.com/resources/library/data-center/protecting-student-privacy> for more information. To determine what constitutes personally identifiable student information, please see La. R.S. 17:3914(B)(1)(a-c).

Procedure for Inspection of Records

To inspect student records, requests must be made in writing to the School Data Manager. If additional assistance is needed, an additional request may be made in writing to InspireNOLA Charter Schools. Requests should be addressed to Custodian of Student Records; InspireNOLA Charter Schools, 2401 Westbend Pkwy, Suite 4040, New Orleans, LA 70114.

Amendment to Records

If, upon inspection of a student's records, a parent, legal guardian, or eligible student believes that the education records contain information that is inaccurate, misleading, or otherwise in violation of the student's rights of privacy, an amendment to the record may be requested by submitting the requested amendment in writing to Chief Executive Officer; InspireNOLA Charter Schools, 2401 Westbend Pkwy, Suite 4040, New Orleans, LA 70114. Any disagreement or amendment will be attempted to be resolved informally, when possible, through the Chief Executive Officer of his designee. Only the Chief Executive Officer of his designee may authorize an amendment to the education records of a student. If an amendment is not granted, the parent/guardian/eligible student may, within 30 days of the mailing of the notification, request a hearing. The hearing request must be made in writing to the CEO and mailed to the InspireNOLA office address located above. If a hearing is granted, the decision made at such hearing by the CEO or his designee will be final.

Technology

Electronic Communication

In addition, InspireNOLA provides age and grade appropriate classroom instruction regarding Internet and cell phone safety. This instruction shall include, but is not limited to: (1) safe and responsible use of social networking websites, chat rooms, electronic mail, bulletin boards, instant messaging, and other means of electronic communication; (2) risk of transmitting private personal information; (3) recognizing, avoiding, and reporting solicitations by sexual predator; (4) recognizing and reporting illegal activities and communications; (5) recognizing and reporting harassment and cyberbullying; (6) recognizing and avoiding unsolicited or deceptive communications; and (7) copyright laws on written materials, photographs, music, and video.

Electronic Communication Between Students

Communication between students must be appropriate and in accordance with all applicable state and federal laws. If any form of inappropriate communication occurs between students electronically, which

includes sharing of information and/or communication via writing, images, signals, sounds, recordings, data, or intelligence of any kind that is transmitted or shared on any device or means, InspireNOLA will take appropriate action. Inappropriate communication between students may include, but is not limited to communication that may be viewed as bullying, derogatory, threatening, harassing, sexual, lewd, discriminatory, or suggestive in nature. In the case that inappropriate or unlawful communication is suspected, InspireNOLA will initiate a full investigation and will involve law enforcement, if/when appropriate.

Electronic Communication Between Staff and Students/Parents

Communication between students and parents with InspireNOLA staff must be appropriate and in accordance with all applicable state and federal laws. All communication, whether in writing, orally, or electronically, is expected to be professional, deemed reasonable and acceptable by any outside person, and limited to information that is school-related. Improper or inappropriate communication between InspireNOLA employees and students and parents may include, but is not limited to, communication that may be viewed as derogatory, threatening, harassing, sexual, lewd, discriminatory, or suggestive in nature, regardless of who initiates the communication.

Any electronic communication between InspireNOLA staff members and students (whether via InspireNOLA-provided or personal hardware or account) are considered InspireNOLA work produce and subject to public records. This includes sharing of information and/or communication via writing, images, signals, sounds, recordings, data, or intelligence of any kind that is transmitted or shared, including in physical or electronic form. As such, if InspireNOLA employees use a personal cell phone or personal email address to communicate with students or parents, the employee implicitly agrees to provide InspireNOLA access to the cell phone or emails if and/or when InspireNOLA requests to do so.

School-Provided Technology

InspireNOLA recognizes the importance of technology and the educational benefits available through the appropriate use of technology. As such, computer labs, tablets, and laptop computer carts will be used to support and enhance the educational program. An “Acceptable Use Policy” must be on file before a student may access these resources. (See appendix for the Acceptable Use Policy.)

Translation/Interpretation Services

InspireNOLA Charter Schools has policies and procedures in place to ensure that lack of English language skills will not be a barrier to admission or participation in the educational or extracurricular programming of the school. Written translations and oral interpretations are available for InspireNOLA students and their families.

Transportation

All InspireNOLA schools provide free transportation to and from school to any student living in Orleans Parish more than one mile from their school. Provided transportation mainly consists of yellow school buses.

All students who ride InspireNOLA-provided bus transportation must adhere to the following rules:

1. Stay seated when the bus is moving.
2. Keep your hands, feet, elbows, knees, books, pencils, and other objects to yourself.
3. Keep your voice low. If your voice can be recognized, you are too loud.
4. Nothing goes outside the windows, including arms, hands, feet, head, or any other body part.

Truancy

As per Louisiana law R.S. 17:233, any student who is a juvenile and who is habitually absent from school or is habitually tardy is considered truant.

A student shall be considered habitually absent or habitually tardy when either condition continues to exist after all reasonable efforts by any school personnel, truancy officer, or other law enforcement personnel have failed to correct the condition after the fifth unexcused absence or fifth unexcused occurrence of being tardy within any school semester.

The School Principal (or his/her designee) shall notify the parent/guardian in writing on or before a student's third unexcused absence or unexcused occurrence of being tardy, and shall hold a conference with such student's parent or legal guardian. This notification shall include information relative to the parent/guardian's legal responsibility to enforce the student's attendance at school and the civil penalties that may be incurred if the student is determined to be habitually absent or habitually tardy. The student's parent or legal guardian shall sign a receipt for such notification.

The term "tardy" shall include but not be limited to leaving or checking out of school unexcused prior to the regularly scheduled dismissal time at the end of the school day, but shall not include reporting late to class when transferring from one class to another during the school day.

The School Principal/designee will make a Family In Need of Services referral to Juvenile Court when the school has established that the student is truant.

Volunteers and Chaperones

Level 1 Volunteers and Chaperones

Level 1 are volunteers or chaperones who have limited contact with students and will: 1) be under the supervision of an InspireNOLA staff member or teacher; 2) not be alone with a student or group of students; 3) interacting with students only once for a short period of time.

Examples of Level 1 volunteers and chaperones include: one-time field trip chaperones; assisting in copy room; presenting to class or doing read aloud (with teacher present); helping with holiday parties; chaperoning a dance.

Level 1 volunteers and chaperones must be cleared by the school front office in advance of any being within the school facility/on the school grounds and before any interaction with students. School front office staff must verify the volunteer/chaperone through the beenverified.com system, and must record the volunteer/chaperone name, date, time, and verification results in the volunteer/chaperone log kept in the school front office.

Level 2 Volunteers and Chaperones

Level 2 are volunteers or chaperones who will be routinely interacting with students and may: 1) be responsible for the supervision of a student or groups of students; 2) be alone with a student or group of students; 3) interacting with students routinely and/or over a period of time.

Prior to any interaction with students, Level 2 volunteers and chaperones must be approved by the Central Office, as these chaperones/volunteers are required to successfully pass a background check completed by a law enforcement agency.

- The name, role, and contact information of each Level 2 volunteer/chaperone must be submitted to the Human Resources department (and operations team, if applicable) in writing at least 2 weeks in advance of the first day of volunteer/trip by the school administration.
- The Human Resources department will then contact the individual to obtain basic personnel information and set up their background check.
- The Human Resources department will inform the school administration when the volunteer/chaperone is cleared to interact with students, and will keep a record of all Level 2 volunteers and chaperones on file for each school.

Academics & Athletics

Advanced Placement

High school students may take Advanced Placement (AP) courses that are offered by the school. Upon completion of the AP course, students take an AP exam in May that is administered through the College Board. Depending on the score earned by the student and the specific requirements of the college or university, the student may earn college credit or advanced placement. Please check with the high school counselor to determine which AP courses are offered at each school.

Athletic Event Conduct

InspireNOLA is proud to offer a variety of athletic events that students may participate in and that students, families, and community members may attend. The following expectations regarding the conduct of participants and spectators at athletic events are to ensure the safety and enjoyment of all parties.

The following are prohibited from any and all individuals who attend InspireNOLA athletic events:

- Fighting
- Damage to public or private property
- Throwing of objects
- Using or displaying obscenities
- Harassment of participants, game officials, or spectators
- Entering restricted areas without authorization
- Consuming or possessing any alcoholic beverages
- Using or possessing unlawful drugs or any weapons that may be injurious to self or others

English as a Second Language

Students whose primary language is not English will receive support services from an ESL teacher. The ESL teacher will service the students on a regular basis and work on current class work, and will work together with the regular education teacher to provide support for the student.

All InspireNOLA schools offer language assistance services in person and over the phone. If in need of additional translation services, please contact the school leader. Additionally, important documents and parent communications will be translated before being mailed home or sent home with students. All students are required to have an up-to-date Home Language Survey completed during the initial registration process. (The Home Language Survey can be found in appendix.)

Extra-curricular Participation and Eligibility

InspireNOLA recognizes that in order to develop well-rounded individuals, our students must have the opportunity to participate in extra-curricular activities.

Service clubs provide leadership opportunities for our students while instilling in them the desire and the need for helping others. Academic clubs seek to extend the classroom curriculum in areas of interest to the students. Performing groups encourage our students to explore and develop their creative talents. InspireNOLA also offers a full range of athletic opportunities for our students.

All students are encouraged to participate in at least one activity. However, each student's primary responsibility is to perform to the best of his/her ability academically. Participation in extra-curricular

activities begin in the classroom. Absent students may not participate on days they are absent from school activities or events occurring during their suspension period. Students suspended or excluded from school due to behavioral concerns cannot participate in extracurricular activities. Participation in athletics, clubs, and other organizations is a privilege, and not a right.

A designated staff member monitors all students involved in extracurricular activities weekly for their current grades. Any students in these groups who have a D or F will have an action plan that must be completed before they can be cleared for full participation.

- Students who have a D in a class will be required to attend 45 minutes of tutoring or study hall prior to attending practice. They may still participate in practice and games/events, as long as they complete the required amount of tutoring.
- Any student with an F on their current grades will NOT be allowed to participate in any practice or game/event until that F has been raised and removed from their grades. These students must still attend tutoring.
- The staff member who is monitoring the grades will communicate with affected students and sponsors the academics status of students who are not meeting grade requirements.

Field Trips

Field trips are taken to enrich the curriculum. Classes periodically visit educational destinations. Permission slips are sent home prior to each trip indicating date, amount, and special information. All due dates and timelines will be strictly enforced. Students not adhering to the timelines – or the student code of conduct – will require a legal parent or guardian to accompany the student.

Gifted and Talented

Admission into Gifted and/or Talented classes is limited to those students who have been evaluated and meet the requirements for gifted as defined by the State of Louisiana. For more information, please visit <https://www.louisianabelieves.com/academics/gifted-and-talented-students>.

Coursework Grading Grades 1 – 8

Teachers should share a syllabus that outlines the work of the course and the grading requirements with each pupil and parent during the first week of classes each year or semester with appropriate follow-up

reminders. The syllabus should give parents and pupils a clear definition of what the pupil must accomplish and show how the grade will be earned over the duration of the course.

Individual students' grades and averages are expressed as alphabetical grades. Numerical grades are converted to alphabetical grades for placement on the official documents: Roll Book and PowerSchool (which will print onto report cards). Please see grading scale for conversion of percentage to letter.

The following grading category weights are to be followed:

- 30% Daily Assignments (Do Now, Performance Tasks, Exit Tickets)
- 40% Weekly Quizzes/Weekly Tests/Major Projects (teacher-made assessments)
- 20% Quarterly Exams (interim/teacher-made quarterly exam)
- 10% Daily Homework and Class Participation

After a student returns to school from an absence, he/she has the same number of days as the absence to make-up missed work for full credit. It is the student's responsibility to obtain any make-up work from his/her teacher. Extra credit will be offered at the teacher's discretion.

Graduation/Senior Information

Graduation Participation

Graduation is a joyous occasion that celebrates the accomplishments of students who have fulfilled all requirements. In order to participate in a school's graduation ceremony, students must meet all graduation requirements set forth by the Board of Elementary and Secondary Education, which includes, but is not limited to, passing all required courses and meeting all End-of-Course/LEAP 2025 requirements.

Details on Louisiana graduation requirements may found at

<https://www.louisianabelieves.com/courses/graduation-requirements>.

TOPS

In order for a student to qualify for college benefits through the Louisiana Taylor Opportunity Program for Students (TOPS), specific requirements as set by the Louisiana Office of Student Financial Assistance (LOSFA) must be met. Parent and guardians should consult the TOPS website (<https://www.osfa.la.gov/tops>) for requirements, specific information, and potential changes to the program.

Homebound Services

Homebound instruction shall be provided by a properly certified teacher on the eleventh school day following an absence of more than 10 consecutive school days for a qualifying illness.

Homebound instruction, at a minimum, shall be provided in the core academic subjects:

- a. English;
- b. mathematics;
- c. science; and
- d. social studies.

A minimum of four hours of homebound instruction shall be provided per week, unless the student's health as determined by a physician requires less. Consideration shall be given to the individual need for services beyond the core academic subjects for students with disabilities.

Homebound services may be provided via a consultative model (properly certified regular or special education teacher when appropriate, consults with the homebound teacher delivering instruction) for students needing such services less than 20 days during a school year.

The proper form for homebound services may be obtained from the school nurse.

Homeless/Transitional Students

Each school receiving homeless/transitional student(s) will enroll the student(s) immediately after receiving proper documentation from OneApp. The school will direct the family to the onsite McKinney – Vento Program Liaison who will assist with additional services and procedures.

Placement and Promotion

InspireNOLA policy regarding placement and promotion of students can be found in the InspireNOLA Pupil Progression Plan, which may be viewed at www.inspirenolacharterschools.org.

Plagiarism

Plagiarism is the act of taking the words of another person and using them as one's own. This includes copying words or ideas from a book, magazine or other print source, downloading material from the Internet and copying work from another student. In the last case, both the student who does the copying and the student who allows the copying are equally guilty. If plagiarism occurs, disciplinary action that is commensurate to the action, severity, and intent will be issued.

Pupil Progression Plan

InspireNOLA Charter Schools' Pupil Progression Plan (PPP) contains a full description of the academic and promotional policies for all InspireNOLA schools. This handbook contains many, but not all, of the policies

contained in the PPP. If you would like to view the InspireNOLA PPP, it is available online at www.inspirenolacharterschools.org.

Special Education

All students identified by an Individual Education Plan (IEP) receive special education services that are appropriate to their evaluation and IEP.

For more information regarding Parent/Student Rights in Identification, Evaluation, and Placement according to Section 504 of the Rehabilitation Act of 1973 & Title II of the American Disabilities Act of 1990, please refer to “Your Child’s Rights: 6 Principles of IDEA” in the appendix.

Consequences

Detention

Suspension

Suspension is defined as the loss of privileges to any and all school activities for the duration of the suspension period.

Suspensions shall be preceded by an informal conference conducted by the Dean of Students or his/her designee between the student, and, when practical, the teacher, supervisor or school employee who referred the student. At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him/her; he/she shall be given the opportunity to present his/her version and evidence in support of his/her defense.

- At the time of the suspension, the Dean of Students or his/her designee shall contact the parent/guardian by telephone or in person. The parent/ guardian shall then be officially notified of the reason(s) for suspension, the length of suspension, and the date and time when the student may return to school via the school's Suspension Form, which goes home with the student.
- Parents have a right to file an appeal to a suspension, within five (5) days, in writing, with the School Leader. The School Leader or his/her designee will determine whether to uphold, reverse, or modify the decision to suspend the student. Decisions of the School Leader may be appealed in writing to InspireNOLA Charter Schools within five (5) days.

Expulsion

InspireNOLA leaders cannot expel a student; leaders can recommend a student for expulsion. If a school leader recommends a student for expulsion, the student will be suspended pending a hearing for a recommendation for expulsion. The student will then have the expulsion hearing, during which the Student Hearing Office will determine if the recommendation will be upheld, reversed, or modified.

Expulsion is defined as the complete denial of all school services until the end of the school year.

- The student is entitled to a hearing to determine whether the student should be expelled. The Student Hearing Office of the Orleans Parish School Board shall hold the hearing within ten (10) school days after the principal or his/her designee determines that an act for which the consequences may be expulsion has occurred.
- The student or parent/guardian is entitled to file an appeal of the expulsion. The Student Hearing Office will hear the appeal. The Student Hearing Office will determine whether to uphold, reverse, or modify the decision to expel the student.

More information on processes and procedures of and contact information for the Student Hearing Office can be found here: <https://opsb.us/departments/student-hearing-office/>.

Discipline Procedures for Students with Disabilities

Discipline

If a school has documented reasons to believe that keeping a student in his/her current school is substantially likely to result in injury to the student or to others, the school should request an emergency hearing to ask a hearing officer to transfer the student to an IAES for up to 45 school days. The student remains in the IAES pending the decision of the hearing officer or until the expiration of the 45 day or code violation time period (If less than 45 school days), whichever occurs first, unless the parent and school personnel agree otherwise.

The School's Manifestation Determination Review (MDR) Committee must determine whether the behavior is related or not related to the student's disability. At least one person on the committee must know the student and one other must be knowledgeable of the student's disability. The parents/guardians must be notified of the review and at least three documented attempts to reach the parents/guardians must have been made by the school to include them in the meeting. If the parents/guardians do not respond or participate, documentation of their absence must be included. The MDR Committee reviews all relevant information in the student's file, including the IEP in making the determination.

Reporting Illegal Activities

- Nothing in this handbook prohibits school personnel from reporting a crime committed by a student with a disability to appropriate authorities or prevents State law enforcement and judicial authorities from exercising their responsibilities with regard to the application of Federal and State law to crimes committed by a student with a disability.
- School personnel reporting a crime committed by a student with a disability must ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to whom the agency reports the crime. Records must be transmitted only to the extent that the transmission is permitted by the Family Educational Rights and Privacy Act.

Seclusion and Restraint Procedures for Students with Disabilities

Notification Requirements

Families must be notified within 24 hours if physical restraint/holding skills or seclusion is used on their child. Date, time, method and person contacting the guardian must also be documented (form for documentation included in Appendix). Copies of documentation should be signed by the person completing form and the School Leader. Copies of documentation must be sent within 24 hours of action to the parent/guardian, Chairperson, Network Personnel (and if the student has an exceptionality), and School Leader.

Training Requirements

All school administrators and behavior facilitators are required to be trained in the network-approved safety training program. InspireNOLA's approved safety training program is Non-Violent Crisis Intervention (NCI) Program by Crisis Prevention Institute (CPI). Social workers, teachers, related service providers, nurses, paraprofessionals, school bus drivers, bus attendants, cafeteria workers, custodians, and other school system personnel will be trained on an as needed basis.

Physical Restraint Guideline

Physical restraint/holding is permitted only under the following conditions:

1. If the student's behavior presents a threat of imminent risk of harm to self or others.
2. As a last resort to protect the safety of self and others.
3. In a manner that causes NO PHYSICAL INJURY to the student.
4. Results in the least possible discomfort to the student.
5. Does not interfere in any way with a student's breathing or ability to communicate with others.
6. Does not involve the use of any form of mechanical restraint.
7. The student is not physically restrained/held in a manner that places excessive pressure on the student's chest or back or that causes asphyxia.

8. Applied only in a manner that is directly proportional to the circumstances and to the student's size, age, and severity of behavior.
9. When school administration and Non-Violent Crisis Intervention (NCI) Team determine that physical restraint/hold is not effective, the student's parent/guardians will be notified. School administration will determine the appropriate action (e.g., contact Sheriff's Department, Emergency Medical Services).

Physical restraint/hold is prohibited:

1. As a form of discipline or punishment.
2. As a threat to control, bully, or obtain behavioral compliance.
3. For the convenience of school personnel.
4. When unreasonable, unsafe, or unwarranted.
5. If the student is known to have any medical or psychological condition that precludes such action (as certified by a licensed health care provider in a written statement provided to the principal of the school in which the student is enrolled).

Monitoring & Documentation

Physical restraint/holding require monitoring, documentation, and analysis of data collected:

1. Continuous monitoring.
2. Documentation every five (5) minutes (with adjustments made accordingly).
3. Student is released/removed as soon as the reasons for the action have subsided.
4. Parent/guardian, Director of Special Education (if student with exceptionality (and Leader notified in writing (Restraint/Holding/Seclusion Report forms in Attachments).
 - a. Within 24 hours of EACH incident of seclusion/restraint/holding
 - b. Reason for seclusion/restraint/holding
 - c. Description of procedures used
 - d. Length of time of seclusion/restraint/holding
 - e. Names and titles of school employees involved
5. Person/Employee who used seclusion/restraint/holding shall complete Seclusion/Restraint/Holding Report Form for each incident of restraint/seclusion/and holding.
6. Documentation of incidents of seclusion and/or holding shall be reviewed at least once every three (3) weeks for students whose challenging behavior continues or escalates.
7. When student is involved in three (3) incidents in a single school year, convene the IEP team to review and revise the student's behavior intervention plan to include appropriate and necessary behavioral supports.

Seclusion data must be analyzed at least annually. These procedures should be reviewed and revised as necessary during the interim period to ensure appropriateness and effectiveness.

It is recommended that data will be used to track the number of incidents of seclusion by student, staff, and type of incidents; and other factors, such as precipitating events and other observable factors.

Physical restraint documentation

If a student in your school becomes a danger to themselves or others AND is restrained by one or more staff members for any amount of time, you must complete InspireNOLA's Physical Restraints Form.

Follow these steps after an incident involving a physical restraint is resolved:

1. Notify the parent(s)/guardian(s) of the student who was restrained on the same day that the incident occurred.
2. Document the incident using the Physical Restraints Documentation Form within 48 hours
 - a. Ask all participants and witnesses to review the documentation form and sign page 2.

- b. Meet as a school leadership team with the participants/ witnesses to the incident and debrief what occurred. Determine as a group if procedures were followed according to CPI training standards and network policy.
 - c. Ask members to sign off on the conclusions of the debrief meeting. Participants that disagree may submit a separate statement regarding their conclusions.
3. A copy of the completed form with original signatures must be kept on file in the school director or principal's office.
4. A scanned copy of the completed form must also be sent to the Exceptional Student Support Team within 48 hours.
5. If a student has an IEP, a copy of the form should be given to the Special Education Reporting System (SERS) Coordinator who will enter it in SER.

d. The InspireNOLA Coordinator will determine whether the complainant was subjected to discrimination or harassment under any InspireNOLA program or activity, using a preponderance of the evidence standard. During this process, the InspireNOLA Coordinator will prepare a written report setting forth findings, conclusions, and actions to be taken, if any, with all involved parties.

e. While the time it may take to investigate and resolve a grievance will depend on a variety of factors, including the nature and scope of the allegations, the InspireNOLA Coordinator will seek to resolve the grievance within 60 working days of receipt of the grievance. Within this timeframe, the investigation of the grievance will be completed by day 45 of the outlined process, and both parties involved will receive a response regarding the outcome of the complaint by day 60 of the outlined process. Throughout the process, the InspireNOLA Coordinator will keep the participants informed of the status of the investigation.

f. Upon resolution of the grievance by the InspireNOLA Coordinator, all parties will be made aware of the outcome through written notification. A complainant or respondent (respondent defined as the individual alleged to have engaged in the discriminatory conduct) who is dissatisfied with the final decision of the Coordinator has the right to appeal the decision. An appeal can be filed within 15 working days after receiving written notice of the investigation's outcome. If an appeal is filed, both parties will receive the results of the appeal by day 30 from the date that the appeal was filed. Appeals will be handled using the above outlined grievance procedures, and the point of contact to appeal a decision is:

INSPIRENOLA CHARTER SCHOOLS (INSPIRENOLA) – NOTIFICATION OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) and STUDENT DIRECTORY INFORMATION OPT-OUT FORM

Under the Family Educational Rights and Privacy Act (FERPA), parents/guardians of students under age 18, and students over 18 years of age (“eligible students”) have certain rights with respect to the education records of a student. If the student is 18 years old, even if living with the parent/guardian, the student has all the rights under this Act. These rights are:

- (1) The right to inspect and review their education records within 45 days of the day InspireNOLA receives a written request.
- (2) The right to request the amendment of an education record for a student that the parent or eligible student believes are inaccurate or misleading. If InspireNOLA decides not to amend the record, InspireNOLA will notify the parent/guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.
- (3) The right to consent to disclosures of personally identifiable information contained in the education records of a student, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by InspireNOLA as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a student teacher; a person serving on the Board; contractors (a person or company with whom InspireNOLA has contracted to perform a special task, such as an attorney, auditor, medical consultant, or therapist); consultants; volunteers; or a parent or student serving on an official committee or assisting another school official in performing his or her duties. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, InspireNOLA discloses education records without consent to officials of another school where a student seeks to enroll.
- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by InspireNOLA to comply with the requirements of FERPA. Written complaints should be directed to Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W.; Washington, DC 20202.

Directory Information: Under FERPA, InspireNOLA may release “directory” information to anyone, without the written consent of the parent or eligible student, unless you tell InspireNOLA that you do not want the information released. Directory information is information contained in an education record of a student, which would not generally be considered harmful or an invasion of privacy if disclosed. InspireNOLA has designated the following information as directory information: student’s name, address, telephone number, date and place of birth, grade level, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous school InspireNOLA and photograph or video. (OPSB Policy J952). A parent or eligible student may refuse to allow InspireNOLA to designate any or all of the types of information about the student as directory information, thus prohibiting its release to the public.

Release of Directory Information for Students in Grades Pre-Kindergarten to Eight (Pre-K to 8)

As a parent/guardian of a pre-kindergarten student, an elementary student, or a middle school student you have the right to choose whether directory information concerning your student is released or not. Once this form is completed and returned to the school, your choice will be electronically recorded and it will not change until you complete and submit a new form. Please check one box below and return this form to the school your student

attends no later than 30 days after receipt of this form. If the parent/guardian does not check one of the boxes or does not return this form, InspireNOLA considers the lack of response as consent for box A.

For students in grades **Pre-Kindergarten through Eight (Pre-K to 8)**:

Please mark only one box:

- A. I consent to the release of the above directory information about the student named below.
- B. I do NOT consent to the release of the above directory information about the student named below, except as authorized by law.

**INSPIRENOLA CHARTER SCHOOLS (InspireNOLA) –
NOTIFICATION OF RIGHTS UNDER THE FAMILY EDUCATIONAL

Under the Family Educational Rights and Privacy Act (FERPA), parents/guardians of students under age 18, and students over 18 years of age (“eligible students”) have certain rights with respect to the education records of a student. If the student is 18 years old, even if living with the parent/guardian, the student has all the rights under this Act. These rights are:

- (2) The right to request the amendment of an education record for a student that the parent or eligible student believes are inaccurate or misleading. If InspireNOLA decides not to amend the record, InspireNOLA will notify the parent/guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.
- (3) The right to consent to disclosures of personally identifiable information contained in the education records of a student, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by InspireNOLA as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a student teacher; a person serving on the Board; contractors (a person or company with whom InspireNOLA has contracted to perform a special task, such as an attorney, auditor, medical consultant, or therapist); consultants; volunteers; or a parent or student serving on an official committee or assisting another school official in performing his or her duties. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, InspireNOLA discloses education records without consent to officials of another school where a student seeks to enroll.
- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by InspireNOLA to comply with the requirements of FERPA. Written complaints should be directed to Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W.; Washington, DC 20202.

Directory Information: Under FERPA, InspireNOLA may release “directory” information to anyone, without the written consent of the parent or eligible student, unless you tell InspireNOLA that you do not want the information released. (OPSB Policy J952). A parent or eligible student may refuse to allow InspireNOLA to designate any or all of the types of information about the student as directory information, thus prohibiting its release to the public.

Release of Directory Information for Students in Grades Nine to Twelve (9-12)

As a parent/guardian of a high school student or as an eligible student (reached 18 years of age), you have the right to choose whether directory information is released or not. Once this form is completed and returned to the school, your choice will be electronically recorded and will not change until you complete and submit a new form.

The United States military requests and is entitled to the names, telephone numbers, and addresses of “secondary school students,” unless the parent/guardian or eligible student checks either box B or C. If you do not want information to be released to the military, you must check box B or C and return this form 30 days

after receipt of this form in order to ensure that your selection is recorded in time. If you do not want information to go to the military or other individuals and organizations, you must check box B.

Parents/guardians of high school students and eligible high school students are encouraged to remember that checking Box B or C means that InspireNOLA will not release directory information to the military. However, it does not mean that the military might not gather student information from other, non-school district sources. Additionally, checking Box B or C does not prevent military recruiters from speaking with your student when the recruiter is on campus.

Please check one box below and return this form to the school your student attends no later than 30 days after receipt of this form. If the parent/guardian or eligible student does not check one of the boxes or does not return the form, OPSB considers the lack of response as consent for box A.

For students in grades **Nine to Twelve (9-12)**:

Please mark only one box:

- A. I consent to the release of the above directory information about the student named below.
- B. I do **NOT** consent to the release of the above directory information about the student named below to anyone, except as authorized by law.
- C. I consent to the release of the above directory information about the student named below, **except information about this student may NOT be released to the military.**

Your Child's Rights: 6 Principles of IDEA

Originally adopted in 1975 and amended in 2004, the IDEA aims to curb educational problems associated with serving students with a disability. Following are the six major principles of the IDEA, focusing on students' rights and the responsibilities of public schools to children with disabilities.

1. Free Appropriate Public Education

Under the IDEA, every child with a disability is entitled to a Free Appropriate Public Education (FAPE). The IDEA emphasizes special education and related services, which should be designed to meet a child's "unique needs and prepare them for further education, employment, and independent living.

2. Appropriate Evaluation

The IDEA requires that schools conduct "appropriate evaluations" of students who are suspected of having a disability. Parents may seek guidance from the SAT chairperson on campus. An appropriate evaluation must be implemented by a team of knowledgeable and trained evaluators, must utilize sound evaluation materials and procedures, and must be administered on a non-discriminatory basis. Finally, an appropriate evaluation must determine and make recommendations regarding a child's eligibility for special education services in a timely manner.

3. Individualized Education Plan

The Individualized Education Plan (IEP) was established by the IDEA to help ensure every child's access to a Free Appropriate Public Education. The IEP is a written document, developed by an IEP team, which draws upon existing evaluation information in order to meet a student's unique educational needs. Under the IDEA, an IEP must include information regarding a student's present levels of educational performance, annual goals and benchmarking objectives, services and supplementary aids to be received, and a detailed explanation of instances where a student is not participating in the general classroom and why. An IEP is also required to include information regarding consistent reporting on student progress as well as "transition" to adult life. Finally, it is required that an IEP account for the planning concerns of the parents and child, the strengths of a particular child, and the specific "academic, developmental, and functional needs" of the child.

4. Least Restrictive Environment

The IDEA places a strong emphasis on placement in a general education setting. Under the IDEA, a student is guaranteed placement in the Least Restrictive Environment (LRE) possible. Therefore, an IEP team must explore a number of alternatives for enabling a student to participate in the general education classroom. These may include: classroom modifications, supplemental aids and services, alternative instructional methods, etc. If an IEP team determines that a student cannot be satisfactorily educated in a general education setting, then the team must make responsible efforts to determine the LRE for that student outside of the general classroom.

5. Parent Participation

The IDEA has a special provision for "parent participation in placement decisions." Under this provision, state educational agencies and local school boards must ensure that the parents of a child with a disability are members of any group that makes decisions regarding the placement and LRE of that child.

Parents have the right to equal participation in this process, and are entitled to notification of a planned evaluation, access to planning and evaluation materials, and involvement in all meetings regarding their child's placement. Additionally, parents retain the right to refuse.

6. Procedural Safeguards

Finally, the IDEA establishes procedural safeguards to help parents and students enforce their rights under federal law. The primary purpose of this requirement is twofold: safeguards protect parental access to information pertaining to placement and transition planning; and procedures are put in place to resolve disagreements between parents and schools regarding the placement of a student.
